_____ I did own foreign property during the year with a cost of more than CAN\$100,000.

12. E-File Notification and CD Option

As a paid tax return preparer we are required to file your return electronically with the CRA, and if you file a US return, with the IRS unless you are not eligible to efile.

In order to elect to efile your return, a **Form T183 (CDN) and/or Form 8879 (US) must be completed** in duplicate and signed by you before your return is transmitted. The amounts entered on the Form T183 (CDN) and/or Form 8879 (US) must accurately reflect the amounts on the electronic return. If the Canadian return is not accepted as originally transmitted, and the changes required for re-transmission alter the refund or balance owing by more than \$300, a new Form T183 must be completed and signed. Accordingly, you will be required to carefully review your return's contents before we make submission.

Clients *must* return to our office the signed Form T183 (CDN) and/or Form 8879 (US) together with their engagement letters before we can efile the return(s). The form will be provided to you after we have completed the return.

The form is year specific and only the current year version is acceptable. Therefore, each year you will be required to sign a new Form T183 (CDN) and/or Form 8879 (US).

As required by section 150.1(4) of the *Income Tax Act*, both the firm, as well as you, will have to keep a copy of the completed Form T183. You will **not** have to send the form to CRA unless they request it. Please keep your copy in a secure location. The Form T183 must be kept for at least six years following the date that the return was filed. Written permission from CRA is required for you to destroy the Form T183 before the six-year period is up.

Because no receipts are required to be submitted with the efiled return, this may increase the requests you will receive from the CRA to provide copies of your original receipts directly to the taxation office after your return has been filed. These requests will be made in order to verify the amounts claimed within the contents of your return. You may elect to respond to these queries on your own behalf, or you may request that our firm respond for you. **Should you elect to have the firm respond for you we wish to advise that this will be a billable service, payable at the time of the request. Duplicate copies of all of your receipts will be kept on file for this purpose.** You may also want to consider our new **Audit Shield** fee waiver service which is discussed in more depth in the attached cover letter as well as the correspondence we sent you earlier this year. If you have questions about this new service that are not answered by what was sent, please give us a call to discuss.

If you have any questions related to the efile service, please do not hesitate to speak to any of the firm's partners, and we will be happy to answer them for you.

In an effort to move to an entirely paperless operation, and to provide an environmentally friendly option we are producing copies of client returns on a private client portal that will be set up for rather than printing paper copies. Should you not wish to have your copy available on the client portal, a paper copy will be provided for you. Please indicate below how you would like your client copy of the return produced.

Client Portal: _____ Paper: _____
